

# PLEASANTON CHAMBER OF COMMERCE

The Pleasanton Chamber of Commerce was organized in 1951 as a Non-Profit organization through which businesses and professional people work together to make a difference in our community. The Chamber is funded through membership dues and special event fundraisers that provide a medium through which businesses and individuals can take effective action for the progress of each business in the community. The Chamber is composed of a Board of Directors, which is the policy making body, and the general membership. Each member is invited to participate in any activity the Chamber sponsors. Membership is open to any business, industrial firm or corporation that promotes the same objectives of the Pleasanton Chamber of Commerce.

## ***WHY SHOULD I BECOME A MEMBER OF THE CHAMBER OF COMMERCE?***

- **The Buyer's Guide Directory:** This is a directory of all the Chamber members. This publication is given to each person who wants information about Pleasanton or Atascosa County. It is also available at all Chamber Businesses. Each membership gets you 2 listings. One in the alphabetical list of businesses and one in the category you choose. You can have your business listed in another category for a small fee. To maximize your exposure, ads can be purchased for the Buyer's guide.
- **Website:** The Pleasanton Chamber of Commerce website receives numerous hits per month requesting information on local businesses and events. We will add your email address and link your website free of charge. Website ads are available ONLY to our members at very affordable rates.
- **Chamber Newsletter:** members will receive a monthly newsletter via email keeping you informed of news relevant to members conducting business in our community.
- **Chamber recommendations:** We receive hundreds of calls from all over from people looking for business and service information. We ONLY refer our members.
- **Ribbon Cutting:** Newly-opened businesses can request ribbon cuttings. This is a great opportunity to let people know that you are up & running. Maybe you are not a new business in town, but have moved to a new location. We also assist in coordinating a ribbon cutting for Grand Openings. If your business is celebrating an anniversary, call us, we can help with the festivities. Anything we can do to promote your business.
- **Business of the Month:** Each month a Pleasanton Chamber Member is chosen as the Business of the Month. The Chamber Directors come to your business and present a banner for your business to display for the month, and the Pleasanton Express takes a photo for the newspaper to congratulate your business.
- **Maps:** City maps for Pleasanton and Atascosa County are distributed by the thousands each year.
- **Chamber Office:** Friendly staff to direct inquiries to YOUR business. The office averages 100+ visitors per month. Members may bring brochures, business cards and information to the chamber office for visitors to pick up.
- **Membership plaque.** Each new member receives a plaque to display informing consumers that your business is one of the select group of businesses that works together to advance the general welfare and prosperity of the Pleasanton area.
- **Member Networking Mixers:** Meet and network with other businesses and community leaders in a relaxed and informal atmosphere. Any member may sponsor a mixer with no fee. The chamber office takes care of informing the members via the monthly newsletter. The member may choose to use the chamber office or their own place of business.
- **Tax Deduction:** Membership is deductible as a business expense.
- **Committees:** An invitation to participate in the chamber committees offers members an opportunity to develop leadership skills and serve with vital leadership roles that affect the Pleasanton Area Community.
