

PLEASANTON CHAMBER OF COMMERCE

The Pleasanton Chamber of Commerce was organized in 1951 as a Non-Profit organization through which businesses and professional people work together to make a difference in our community. The Chamber is funded through membership dues and special event fundraisers that provide a medium through which businesses and individuals can take effective action for the progress of each business in the community. The Chamber is composed of a Board of Directors, which is the policy making body, and the general membership. Each member is invited to participate in any activity the Chamber sponsors. Membership is open to any business, industrial firm or corporation that promotes the same objectives of the Pleasanton Chamber of Commerce.

WHY SHOULD I BECOME A MEMBER OF THE CHAMBER OF COMMERCE?

- **Buyer's Guide Directory:** This is a directory of all the Chamber members and is given to each person who wants information about Pleasanton or Atascosa County. Each member is listed in the alphabetical list of businesses and in the category(s) you choose. To maximize your exposure, ads can also be purchased in the Buyer's guide.
- **Website:** The Pleasanton Chamber of Commerce website receives numerous hits per month requesting information on local businesses and events. We will add your business listing as well as email address and link your website free of charge. We also offer website ads that are available **only** to our members at very affordable rates.
- **Chamber recommendations:** We receive hundreds of calls from all over from people looking for business and service information. We **only** refer our members.
- **Rope Cutting:** Newly-opened businesses can request rope cuttings where we coordinate a photo with the Pleasanton Express and present the membership plaque. We will publicize it on our website and Facebook. This is a great opportunity to let people know that you are up & running! We can also assist if you have moved to a new location or are having a Grand Opening.
- **Business of the Month:** Each month a Pleasanton Chamber Member is chosen as the Business of the Month. The Chamber Directors come to your business and present a banner for your business to display for the month, and the Pleasanton Express takes a photo for the newspaper to congratulate your business. You also receive a page on our website for the month and announced on Facebook.
- **Chamber Office:** Friendly staff to direct inquiries to **your** business. The office averages 100+ visitors per month. Members may bring brochures, business cards and information to the chamber office for visitors to pick up.
- **Membership plaque.** Each new member receives a plaque to display informing consumers that your business is one of the businesses that work together to advance the general welfare and prosperity of the Pleasanton area. Returning members receive a yearly bracket to display their continued support.
- **Member Networking Mixers:** Meet and network with other businesses and community leaders in a relaxed and informal atmosphere.
- **Tax Deduction:** Membership is deductible as a business expense.
- **Committees:** Participation in the chamber committees offers members an opportunity to develop leadership skills and serve with vital leadership roles that affect the Pleasanton Area Community. It also provides individuals with an alternative networking and relationship building opportunity, as well as a chance to have a voice in your community.
