

Pleasanton Chamber of Commerce

Chamber Chat – July 15th

On behalf of the Chamber of Commerce Board of Directors, we congratulate Cactus Garden on being named Business of the Month for July 2009. Each month the Chamber honors a member business that is an asset to our community. The honored business will be featured on our website, have a photo and announcement in the Pleasanton Express and have a banner to display for the month. If you know a member business that you feel goes the extra mile, submit your nomination to the Chamber by email (pleasanton_cofc@yahoo.com) or by calling the Chamber office at 830-569-2163.

Our current Cowboy Homecoming Queen and Court attended Stockdale and Luling parades recently, bringing home First Place trophies. They have done an outstanding job representing our community this past year.

The 44th Annual Cowboy Homecoming celebration is just around the corner and we are eagerly seeking sponsors and volunteers. Please contact the Chamber office or visit our website at www.pleasantoncofc.com for more information. We are most excited about our entertainment venue for this year. For just \$35, weekend wrist bands can be purchased to see and hear David Lee Garza y Los Musicales along with Los Desperadoz on Thursday night August 13th; Eli Young Band with Scott Wiggins Band on Friday night; and Steve Wariner with JR Castillo on Saturday night! Tickets and wristbands will be on sale starting today at the Chamber office. And don't forget to attend the crowning of this year's Cowboy Homecoming Queen to be held Friday night August 14th at 7:00 pm at the River Park! Stay tuned for more highlights of this year's events.

Finally, thank you to our members who attended our mixer on June 26th. Our next mixer is planned for the fall and we encourage existing members and potential new members to join us for social networking.

Until next time.....
