

Pleasanton Chamber of Commerce

Chamber Chat – June 3rd

Join fellow Chamber members after work on Friday June 26th at 6:30 pm for social networking at the Log Cabin. As hosts, Chamber Board of Directors will be on hand to share information about upcoming events and to obtain any suggestions or comments on how the Chamber can better serve our members and the business community.

Check out our newly remodeled website at www.pleasantoncofc.com where you can find upcoming events, past events, Chamber news, business growth and development, and much, much more. Watch for news and updates as we continue planning this year's "Hottest Festival in Texas"...the 44th Annual Cowboy Homecoming Celebration!

Fat Cowboy's and The Belly Up Bar is Business of the Month for June 2009. Each month, the Chamber honors a member business that is an asset to our community. If you know a member business that you feel goes the extra mile, submit your nomination to the Chamber by email (pleasanton cofc@yahoo.com) or by calling the Chamber office at 830-569-2163. Congratulations to Fat Cowboy's and The Belly Up Bar!

Until next time....
