

Pleasanton Chamber of Commerce

Chamber Chat – June 16th

We invite you to our June Member's Mixer to be held at the Log Cabin on Friday June 26th at 6:30 pm. Come out and meet your fellow Chamber members. Bring your business cards, make some new contacts, refresh some old ones and just have a good ol' time! We encourage anyone who is considering membership to join us and get involved.

Our current Cowboy Homecoming Queen and Court visited Lockhart this past weekend, representing Pleasanton in their parade on Saturday. They will be traveling to Stockdale this weekend and Luling next weekend to attend their parades and festivities. Hats off to these beautiful young women for an outstanding year of representation!

If you have not seen our newly remodeled web site, check us out at www.pleasantoncofc.com where you can find upcoming events, past events, Chamber news, business growth and development, and much, much more. Watch for news and updates as we continue planning this year's "Hottest Festival in Texas"...the 44th Annual Cowboy Homecoming Celebration! New to this year's festival will be Coors Light Tejano Thursday with entertainment by David Lee Garza y Los Musicales with Los Desperadoz. We will also have a Motorcycle Rally on Thursday night at the River Park. Stay tuned for more Cowboy Homecoming events and activities!

Until next time....
